As per the above policy/ instructions the procurement centers were to be established and agreements were to be executed with the procurement agencies on or before 17.03.2023.

Audit observed in district Betul, the District Procurement Committee (DPC) of Betul District issued order for establishing procurement centers on 29.03.2023 for procurement of wheat during RMS 2023-24, four days after the start of procurement date and 12 days after the schedule date of establishing procurement centers. Further, the agreements with the societies were executed between the period 26.09.2023 and 01.12.2023 with a delay of almost four months to six months after end date (i.e. 20.05.2023) of procurement season.

As per the procurement policy/ order, the procurement of wheat in Betul District (under Narmadapuram Region) was to be done between the period 20.03.2024 and 07.05.2024.

As per the above policy/ instructions the procurement centers were to be established and agreements were to be executed with the procurement agencies on or before 05.03.2024.

Audit observed in district Betul, the District Procurement Committee (DPC) of Betul District issued order for establishing procurement centers between the period 19.03.2023 and

06.07.2024 for procurement of wheat during RMS 2024-25, with a delay of 14 days to 30 days from the schedule date of establishing procurement centers. Further, the agreements with the societies were executed between the period 06.07.2024 and 11.12.2024 with a delay of almost two months to seven months after end date (i.e. 07.05.2023) of procurement season.

C. Rabi Marketing Season (RMS)- 2025-26

As per clause 7.3 of the Standard Operating Procedure (SOP) issued by Department of Food, Civil Supplies and Consumers Protection (Food Department), GoMP, for procurement of wheat under RMS-2025-26, the procurement centres, for procurement of wheat, were to be established before the date of commencement of procurement. Further, as per clause 7.4 of the said SOP, the agreement with the procurement societies were to be executed before start of procurements so as to enable mapping of transportation and storage in time. As per the procurement policy/ order, the procurement of wheat in Betul District (under Narmadapuram Region) was to be done between the period 01.03.2025 and 18.04.2025.

The delayed execution non-finalization of agreements indicates inadequate contractual governance and may result in ambiguity regarding the rights, obligations, risks, and responsibilities of the parties involved. This may increase potential disputes, difficulties in enforcing contractual provisions, and weakened accountability for performance and compliance.

While confirming the facts and figures stated above, the reasons for delay in establishing procurement centres and delay in executing agreements with the procurement societies be stated.

To,
MANAGING DIRECTOR,
Madhya Pradesh State Civil Supplies Corporation Limited
